Payment Policy

Thank you for choosing us as your Ophthalmology provider.

Please read the information below.

A copy will be provided to you upon request.

NOTE: The amount you pay today for your office visit depends on several factors including:

1) Whether you are a New Patient or you've visited our office before
2) The complexity of your complaint
3) The doctor's examination

Often, the doctor will recommend that a specific procedure be performed during a visit. The costs of these procedures are separate and not included in your office visit. You can refuse any treatment and we can provide you with an estimate prior to any treatment being performed.

INSURANCE: We participate in most insurance plans, including Medicare. If you are ***NOT*** insured by a plan, we do business with, payment in full is expected at the time services are rendered. If you ***ARE*** insured by a plan we do business with, but ***DO NOT*** have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. ***KNOWING YOUR INSURANCE BENEFITS IS YOUR RESPONSIBILITY.*** Please contact your insurance company with any questions you may have regarding your coverage.

COPAYMENTS AND DEDUCTIBLES: All copayments , coinsurance and deductibles must be paid at the time of service. Failure to pay these will result in your appointments being rescheduled.

NON-COVERED SERVICES: Please be aware that some of the services you receive may be ***NON-COVERED*** or not considered reasonable or necessary by Medicare or other insurers. You must pay for these services in full at the time they are rendered.

PROOF OF INSURANCE: All patients must complete our patient information packet before seeing one of our doctors. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the ***CORRECT insurance information in a timely manner***, you may be responsible for the balance of a claim.

CLAIMS SUBMISSION: We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Please be aware that the ***balance of your claim is your responsibility whether or not your insurance company pays your claim.***

COVERAGE CHANGES: If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. ***If your insurance company does not pay your claim, the balance will automatically be billed to you.***

NONPAYMENT: If your account is ***over*** 90 days past due, you will receive a letter stating that you have ***10*** days to pay your account in full. Partial payments will not be accepted unless otherwise agreed upon. Please be aware that if a balance remains unpaid, we will refer your account to a collection agency and you will be ***unable*** to schedule additional non-emergent appointments until this balance is paid in full.

SELF-PAY (NO INSURANCE COVERAGE): Our practice offers a discount equal to what Medicare allows if self-pay patients pay at the time of service. If you do not pay then, we are unable to offer you that discount. The amount our office charges for self-pay office visits is based on fees set forth each year by the federal government. We are not allowed, by law, to charge less than the federal reimbursement fee. To learn more about those fees visit www.cms.gov/home/medicare.asp. You are expected to pay your bill in full at the time of service. If this is not possible, you may consider a payment plan. To do this you must sign a ***SELF-PAY/PRIVATE PAY AGREEMENT*** form in our office.

We Accept:		**You may pay your bill:**
Cash	VISA	In our office
Check	MasterCard	Mail your Payment
American Express	Discover	Calling over the Phone (by giving a credit or debit card over the phone)

Our staff is instructed to make every effort to clarify any questions concerning payment. If you need further information about any of these policies, or about the amount you will be asked to pay today, ***please ask to speak with our billing department.***
